Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents on the attached listing. This Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits.

Copies of the listed foreign and non-patent documents are attached. Copies of the U.S. patent publications are not attached.

Applicants respectfully request that the Examiner consider the listed documents and indicate they were considered by making an appropriate notation on the attached form.

In lieu of a statement of relevance or translation of the non-English French Patent Publication No. 900 276 A and Japanese Patent Publication No. 57-052118, an English language version of a search report from the European Patent Office in a corresponding

application citing these documents and setting forth the relevance thereof is enclosed.

An English abstract of Japanese Patent Publication No. 57-052118 is also enclosed.

Japanese Patent Publication No. 57-002102 is cited on pages 3 and 18 of the specification, and an English abstract is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "prior art." If the Examiner applies the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
